CCFP Standard Catering Contract
FFY 2016-2017

Overview:

The overview items that follow are incorporated and adopted by reference into the terms and conditions of this contract.

1.01 Purpose:

The purpose of this Standard Catering Contract is to obtain Caterer services to furnish meals to children ages one and older participating in the Child Care Food Programs (CCFP) at designated child care centers. The Standard Catering Contract is provided for mandatory use by all CCFP Institutions or facilities using catering services pursuant to 7 CFR §§226.6(i) and 226.21. The Institution or facility and the Caterer must comply with 2 CFR §§200.318 General procurement standards through 200.326 Contract provisions and Appendix II.

The objective of the contract is to obtain CCFP standard meals, delivered to designated locations, on a predetermined schedule, in specific configuration and under strict quality control guidelines. Meals accepted at the child care facility locations are eligible for payment by the Institution or facility. CCFP reimbursement shall be dependent upon the Caterer and child care facility achieving the necessary standards to qualify delivered meals for reimbursement.

1.02 Definitions:

The following definitions shall apply to all terms and conditions:

1. Bid means an offer to perform catering service in accordance with the specifications and conditions of the governing contract for a set, stated price.
2. Bidder means a person who sells prepared meals, supplies and services for the CCFP. Such person must be included on the CCFP Caterer List to be eligible for the authority to bid for the opportunity to provide services under contract to a CCFP Institution or facility.

Reimbursement payments for allowable costs are made under the CCFP by the State to the Institution that in turn is required to pay for meals received.

1.03 Parties Encouraged to Seek Legal Counsel:

The standard contract is a legal document. Entering into this agreement may affect the Institution's or facility's or Caterer's rights and responsibilities under Florida law. Each party to this contract will have individual legal concerns best addressed by an attorney representing that party's interests.

This standard contract is provided as required under the federal rules governing the CCFP. The Florida Department of Health (Department) is not permitted to provide legal advice regarding this contract. The Department is only permitted to explain the various terms, conditions and functions of the standard contract and may not advise parties as to their rights under the stated provisions. Any representation either implied or stated by any party or agent of the Department in this regard to the contrary shall have no effect and shall not be relied upon regarding this contract.

The Institution or facility and Caterer are therefore strongly encouraged to seek legal advice from an attorney licensed in the State of Florida familiar with contract law and CCFP requirements before entering into this contract. The Department will certainly discuss various provisions of the proposed contract with a properly licensed attorney representing either party to the proposed contract to answer any questions or concerns should either party make such arrangements.

Pursuant to 7 CFR §§226.6(i) and (j), §§226.21, 226.22, and 2 CFR §§200.318 through 200.326 the terms of this contract shall be applied uniformly throughout the state and are not subject to negotiation. Therefore, any communication with representatives from an Institution or facility or Caterer's attorney shall be for the sole purpose of providing information regarding the legal implications of the contract's terms and conditions.

1.04 Monetary Threshold for Catering Contract:

- A. This Standard Catering Contract for catered meal service must be used by CCFP Institutions or facilities. Institutions or facilities with a total annual meal service cost up to \$100,000 may use informal procedures when securing a contract. Those with a total annual meal service cost at or above \$100,000 must use formal bid procedures.
- B. When following informal procedures to obtain catered meal services, the Institution or facility must obtain written quotes from at least three caterers.
- C. When following formal procedures to obtain catered meal services, the Institution or facility must provide written solicitation for sealed bids with the date and time of the public bid opening.
- D. The quotes or bids must include the unit price for each meal and the lowest grand total quote or bid must be accepted unless prior approval is obtained from the Department for choosing a Caterer with a higher quote or bid based on written justification.

1.05 The Department's Role in Contract Administration:

- A. The Department is not a party to the contract. However, the Department provides the fiscal reimbursement to Institutions for creditable catered meals. These reimbursements are subject to federal CCFP requirements. Consequently, the terms of the contract, its execution

and validation of service are subject to the Department's review for purposes of validating program funding and reimbursement to the Institution.

- B. The Institution's or facility's continued participation in the CCFP is dependent on effective management and administration of the contract. The Caterer's continued service to CCFP Institutions or facilities is subject to the Caterer maintaining its current information with the Department.

1.06 Approved Competitive Contracting Procedures:

- A. Informal competitive procedures:

Institutions or facilities with an estimated contract monetary threshold of less than \$100,000 must obtain written quotes from at least three caterers. Quotes must include the unit price for each meal and the lowest grand total quote must be accepted unless prior approval is obtained from the Department for choosing a Caterer with a higher quote based on written justification.

- B. Formal competitive procedures:

Institutions or facilities with an estimated contract monetary threshold at or above \$100,000 must advertise bid proposals in a newspaper of general circulation with the specified date and time of bid opening. Public advertisement must occur at least fourteen (14) calendar days before the bid opening. Institutions or facilities and potential bidders (caterers) must follow formal bidding procedures outlined below:

1. Bids received prior to the time of the opening must be securely kept, unopened with date and time received recorded on the outside of a sealed envelope.
2. The date and time of the bid opening must not be changed by the Institution or facility after the bids have been received.
3. Bids must be opened at the specified date, place and time, and recorded. A bid must not be altered after the opening of the bids.
4. Only one bid may be offered by any one party. If more than one bid is offered by any one party, whether it is offered by or in the name of a clerk, partner, or other assistant or employee, then all bids from that party must be rejected.
5. Bids not submitted with a bidder acknowledgement form and submitted without specified attachments shall be rejected.
6. Bids must not be accepted after the date and time noted on the bidder acknowledgement form. It is the bidder's responsibility to assure that his/her bid is delivered at the proper time and place of the bid opening.
7. Potential bidders must complete and execute contract signature page, all mandatory attachments and the bidder acknowledgement form and submit the originals and one copy of each in a sealed envelope.
8. Potential bidders must include the Institution's or facility's name and address and date and time of the bid opening on the face of envelope.
9. If a bid is submitted via express mail or in a courier envelope, the bid documents should be submitted in a separate sealed envelope within the courier envelope. Express mail or courier envelopes will be opened and discarded.
10. Offers by telegram, telephone, or email are not acceptable.

1.07 General Requirements of Caterer:

- A. Caterer must appear on the CCFP Caterer List to provide quote or bid:
 - 1. Caterers responding to a solicitation for quotes or bids must appear on the CCFP Caterer List prior to submitting a quotation or bid for consideration. This may be completed consistent with the instructions on the CCFP Web page.
 - 2. Caterers must submit the following information annually by September 30th of each year to be included on the CCFP Caterer List: a completed Caterer Information Form; a copy of the current food service permit; a copy of the most recent food service inspection; and a copy of a current food service manager certification.
- B. Caterers providing quotes or bids shall carefully review all the materials contained herein and prepare responses accordingly. The quotation or bid shall be based on all the terms and conditions stated in this contract. The Caterer is responsible for the accuracy of all information provided in its bid and shall be required to perform according to the terms of the contract and its bid should it receive the contract award. The Caterer shall therefore be required to:
 - 1. Provide a quotation or bid based on the number, type and delivery location for meals specified in the request for quotation or bid.
 - 2. Provide a unit price per meal type requested, total price for each meal type, and its grand total quotation on Attachment 7, Price Schedule, columns 3, 4, and 5.
 - 3. Complete Attachment 9, Caterer Conflict of Interest Questionnaire
 - 4. Complete, if required by formal competitive procedures, Attachment 11, Bidder Acknowledgement Form, and Attachment 12, Certificate of Independent Price Determination.
 - 5. Type or print in ink all quote or bid proposals. Use of erasable ink is not permitted.
 - 6. Include the cost of food, milk, disposable meal service products, packaging, transportation and all other related costs (e.g., condiments, utensils, etc.) according to Attachment 5, Meal Services to be Provided and Attachment 7, Price Schedule, as part of the contract price.
 - 7. Not include unauthorized menu changes, incomplete meals, or meals not delivered within the specified delivery time period as part of the contract price.
- C. Caterer quote or bid inquiries:
 - 1. Questions related to the request for a quote or bid must be received in writing by the Institution or facility.
 - 2. Respondents to an informal quote or formal bid may not contact the Institution or facility between the date of the request for quotes or release of the bid and the end of the 72-hour evaluation for responsiveness period except in writing to the Institution or facility.
 - 3. Violation of this provision may be grounds for rejecting a quote or bid.

1.08 General Requirements of Institution:

- A. The Institution (or facility) must maintain records sufficient to detail the history of procurement. These records shall include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the cost or price.
- B. The Institution (or facility) must maintain oversight to ensure that caterers perform in accordance with the terms, conditions, and specifications of this contract pursuant to 7 CFR §226.22(m) and 2 CFR §200.318(b).

- C. The Institution must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of this contract pursuant to 7 CFR §226.22(d) and 2 CFR §200.318(c).

1.09 Evaluation of Quotes or Bids:

- A. Quotes or bids that do not meet the requirements specified in this contract will be considered non-responsive. Responsive quotes or bids meeting the mandatory requirements will be evaluated. In the best interest of the Institution or facility, the Institution or facility reserves the right to reject any and all quotes or bids or waive any minor irregularity or technicality in the quotes or bids received. Caterers are cautioned to make no assumptions unless their quote or bid has been deemed responsive.
- B. In case of mathematical errors, the Caterer's unit price quotation or bid shall be considered the contract price. It is the Caterer's responsibility to understand the terms, conditions and specifications of the contract. Failure to do so will be at the Caterer's risk and no relief shall be provided under this contract for "error" once a contract is executed and agreed to by both parties.
- C. In case of identical tie quotes or bids, the Institution or facility shall determine the order of award in accordance with Rule 60A-1.011, F.A.C., Identical Evaluations of Responses.

1.10 Basis for Award:

- A. Each quotation or bid submitted shall be considered for responsiveness to the terms and conditions of the contract. In general, a single award shall be made to the responsive, responsible Caterer offering the lowest grand total price and meeting all stated requirements of this contract.
- B. The Institution (or facility) may choose to award the contract to another Caterer meeting all contract requirements as permitted under 7 CFR §226.21(a)(7). However, in order to qualify for CCFP reimbursement for the catered meals in the contract, the Institution (or facility) must obtain Department approval prior to awarding the contract. In order to obtain that approval, the Institution (or facility) shall provide written justification to the Department explaining its reasons for not accepting the lowest catering contract quotation or bid. The Department shall issue its decision within ten days of receiving the Institution's (or facility's) completed request for consideration.
- C. All proposed catering contracts with a grand total amount of \$50,000 or higher must be approved by the Department, pursuant to 7 CFR §226.21(a)(7) prior to execution. Institutions or facilities may be penalized for failure to obtain prior Department approval.
- D. All corrections made by the Institution or facility and/or the Caterer to this contract shall be initialed and dated. The Institution or facility and the Caterer name shall appear on each page of the contract as required.

1.11 Term of Contract Renewal:

- A. The proposed contract is for a single federal fiscal year. The contract shall expire on September 30th of the contract year unless terminated earlier. This contract may be renewed for two additional one-year terms.
- B. Renewals must be negotiated and agreed to prior to the expiration of the current contract on or before September 30 of the contract year. Failure to complete the renewal process (unless switching to self-preparation food service) will require that the Institution or facility obtain new quotations or bids for a new catering contract in order to qualify for CCFP reimbursement for catered meals. Local government and federal agency Institutions or facilities must comply with their governing authority's requirements when renewing contracts.
- C. The renewal process shall be at the sole discretion of the Institution (or facility) and will require the mutual agreement of both parties for completion. Renewal instructions and requirements are provided in a separate document.

1.12 Federal Policy Prohibiting Discrimination:

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.
